### Total Return: July 2025 - Dec. 2025

- MorningStar U.S. Core Bond Index
- S&P U.S. Aggregate Bond Index Total Return
- Ancorato BBI-Income SMA Total Realized Annual Return

### Issuer Allocation of Active BISN Notes

Average performance was calculated by adding up the total performance of each note that was sold or matured during the year and dividing the sum by the total number of notes that were sold or matured that year. No percentage indicates that no notes were sold or matured in that year.

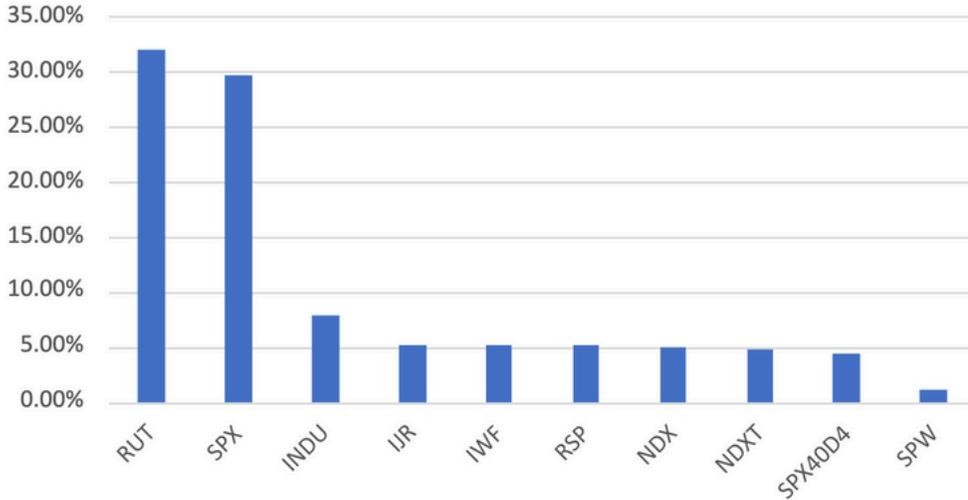

\*Net of fees, Forward looking statements are based on assumptions made by and information currently available to Ancorato. Unexpected contingencies should be considered when evaluating future estimates. Past performance is no guarantee of future performances.

Notes that have not experienced a valuation date have been excluded from realized distribution calculations. Performance is as of 12/31/2025
